Core Capabilities

Science & Lab Solutions

Products and workflow solutions that streamline processes, reduce costs, and deliver consistent, reliable results

- Refrigerators & Freezers
- Lab Water Instruments, Consumables & Services
- Life Science Reagents & Kits
- Biomonitoring & Microbiology
- Analytical Reagents & Standards
- Diagnostic Kit Components & Assays
- Sample Preparation & Chromatography
- Flow Cytometry Kits
- Lab Specialty Chemicals
- Lab Separation & Workflow Tools
- Bulk & Custom Products

Process Solutions

Products that meet the highest quality and purity standards with extensive documentation and services to ensure regulatory compliance

- Multi-use & Single-use Manufacturing
- Filtration, Chromatography & Purification
- Virus Safety
- Pharma & Biopharma Raw Materials
- Engineering & Validation Service

Performance Highlights

DoD/DHHS

Lateral Flow Membrane Facility on 12/29/21 EMD Millipore was awarded a \$136.7M, 3 year contract to establish a lateral flow membrane production facility in WI to support domestic production and supply efforts for the pandemic preparedness initiative. This effort was led by DoD's Defense Assisted Acquisition Cell (DA2) in coordination with Air Force's Acquisition COVID-19 Task Force (DAF ACT), funded by American Rescue Plan Act (ARPA).

DHHS Centers for Disease Control

Traceable Opioid Kits
Cerilliant synthesized, distributed, and supported certified reference materials to directly increase national capacity for laboratory testing of opioids and improve the quality and comparability of emerging opioids identified during public health surveillance and research. Contracts totaled ~\$5M 2018-2020.

DHS BioWatch Program

EMD Millipore provides custom filters to the BioWatch Program which monitors the air for biological agents likely to be used in a bio-terrorism attack. Contracts since 2018 have totaled over \$4M.

DHHS National Institutes of Health

- Stable Isotope Chemical (06/19, \$160K)
- Fetal Bovine Serum (12/20, \$52K)
- Analyte Multiplexing Instrument (06/18, \$62K)
- Multiplex Assay Kits (09/20, \$150K)
- Chemicals (08/17-09/17, \$250K)

DHHS Centers for Disease Control

- Enzymes (08/20, \$85K)
- High Throughput Sample Prep Well Plates (03/20, \$245K)
- Chemical Libraries (07/17, \$200K)
- Lab Supplies (08/17, \$240K)

DOD Navy

- Immunology Multiplex Assay Kits (09/17, \$94K)

DOA Food Safety and Inspection Service

- Water Filtration System
