

Design for sustainability (DfS) scorecard

With our DfS scorecard, we drive sustainability improvement during the product development process through multiple product sustainability criteria divided into seven impact areas.

Milli-Q® IX 7003 Pure Water Purification System

Ultimate pure water solution - less electricity, more compact and mercury-free UV lamps

Impact areas

Results

MATERIALS

29% system size reduction with 4% weight decrease thanks to more compact design
80% reduction of plastic use in purification cartridges thanks to extended lifespan and more compact design

SUPPLIERS & MANUFACTURING

No change compared to baseline product in consideration of our DfS criteria

PACKAGING

For purification cartridges' packaging, 42% weight and 45% volume reduction compared to initial design due to new protective insert design and twin box concept. System's corrugated box with sustainable forestry certification. Protective inserts made of 100% bio-based polyethylene (PE) foam from sugar cane waste for the system and made of PE foam with a minimum of 50% recycled content for the E-POD® water remote dispensers.

ENERGY & EMISSIONS

41% reduction of system electricity consumption thanks to optimization of components and processes as well as an embedded improved "Lab Close" mode

WATER

13% water reduction during system use thanks to new periodic EDI rinsing
Reduction of water consumption during system quality control thanks to the implementation of a new impermeability test by air instead of by water

USABILITY & INNOVATION

Innovative bactericidal lamp with mercury-free UVC LED technology
Easy and quick cartridge replacement thanks to unique patented twist and lock technology

CIRCULAR ECONOMY

The system is designed to be easily maintainable and have a lower replacement frequency of purification consumables. Implementation of a drain cap enables to purge about 44% of the water from the purification cartridges, representing about 25% of the cartridges' total weight prior to disposal.

Baseline product: ZRXV003T0 – Elix® Advantage 3
